## Shark Island Swim

This year's Shark Island Swim was successfully held on Sunday, 10th April 1994 on a beautiful sunny day with perfect sea conditions. Starter Bill Stafford sent the field of 300 swimmers away on the 2.5 km swim around Shark Island.

Club member Daniel McLellan was again successful in winning his fourth consecutive swim. Daniel was pushed all the way by Junior Club member Tanian Goode in what was a memorable swim with Rick Pallister third. Stacey Gartrell again showed her class in winning the Women's section for the third consecutive year.

While down in numbers this year, this swim with its wonderful course layout, is sure to attract larger numbers in future years even though at 2.5kms it is a much longer distance than other ocean swims which are usually around the 1-1.5 kms. Most swimmers look to our swim as the pinnacle of ocean races.

Carmens Miranda Hotel was our sponsor for this year's event and our thanks go to Carmens Manager John Quinlan for his support this year. Our thanks also go to Eyeline who donated the swim caps for every swimmer.

This committee thanks the many members and their wives for their assistance on the day to help make this another successful swim.

Special thanks to Ron Smith, Chris Stevenson and Bill Stafford for their continued support.
